MINERS REMAIN OUT
INDUSTRIAL PLANTS
ARE CLOSING DOORS

Fuel Shortage Begins to Grow Serious in Many Middle-West Communities.

Production in Part of West Virginia is Nearly Normal

Majority of Miners Refuse to Return To The Mines

(By Associated Press.)

Chicago, November 24.—Industrial plants all over the middle west continued to close down today, fuel supplies to public utilities were curtailed further and regional coal committees advised individuals to save coal, as the nation-wide strike of bituminous miners entered its twenty-fourth day.

The only large producing center reporting an improvement was West Virginia, where the output in the non-union fields of the southern part of the state was said by operators to be normal.

In the great bituminous fields of Pennsylvania, Ohio, Indiana and Illinois, the miners apparently were determined to remain idle until a settlement was reached by the conference at Washington.

ABANDON HOPE
OF RESCUING
CREW OF BOAT

Wreckage Continues to Come Ashore But No Trace of 18 Men Has Been Found.

(By Associated Press.)

Sault Ste Marie, Michigan, November 24.—The slender hope held by marine men that some of the crew of 18 of the steamer Myron sunk off White Fish Point in the gale of Saturday and Sunday night might have survived was virtually abandoned at noon today when no further news was received from the various crafts searching for trace of the victims.

Although large quantities of wreckage continued to come ashore today no trace was found of the two life boats believed to have offered the only means of escape to the crew.

ARMED BANDITS
GET \$4275.00

Cleveland, O., November 24.—Barnett Grossman, owner of a chain of grocery stores, was robbed of \$4275 in a daylight holdup by four armed bandits as he was leaving his home this morning. The bandits escaped.

AND MINERS
MARK TIME

Wage Scale Committees Meet Tuesday With Garfield To Consider Plans.

May Get Together On Proposals Made by The Operators and Miners.

(By Associated Press.)

Washington, November 24.—Operators and miners of the central competitive bituminous coal field marked time today in negotiations for a new wage scale while awaiting a decision by Fuel Administrator Garfield as to what portion of any wage advance should be passed on to the public.

When the wage scale committees met this morning the operators obtained an adjournment until tomorrow at which time they expect Dr. Garfield will be prepared to make a statement based on further investigation of the facts connected with the coal industry.

Two separate proposals are before the committee. One is the offer of the operators for an increase of 20 per cent for days work and 15 cents a ton for mining and the other is the demand of the miners for a wage increase of 40 percent and a seven hour day.

SEEKING MAN
WHO ANNOUNCED
PRESIDENT DEAD

Grim Hoax Perpetrated Upon Vice-President Marshall In Midst of Speech.

Unknown Man Telephoned To Marshall

(By Associated Press.)

Atlanta, Ga., November 24.—State and city officials today were investigating the hoax perpetrated here last night by an unidentified man who telephoned to the city auditorium where Vice President Marshall was speaking that President Wilson was dead, and that Washington was calling Mr. Marshall on the long distance telephone.

After Mr. Marshall had announced message to the audience, women began to weep; and at the request of Governor Dorsey, who was present, a minister offered prayer and the audience filed out. "Nearer, My God to Thee" was played by the organist. Meanwhile, Mr. Marshall communicated with the Associated Press and learned that the report was without foundation.

"RADICAL PROPAGANDA WILL NOT RAISE ITS HEAD IN CINCI," SAY LEGION MEN WHO RAIDED SOCIALIST ROOMS

Interior of Socialist and I. W. W. headquarters in Cincinnati after raid, and partition which soldiers smashed.

Three hundred soldiers, members of the Robert E. Bentley Post of the American Legion at Cincinnati, recently took matters into their own hands and raided rooms used by the Socialist party and the I. W. W., wrecking the headquar-

ters and destroying great quantities of Socialist and Red literature. The raid was conducted in an orderly fashion. When bonfires they built to burn the Red literature had died down the men swept the ashes into neat piles.

The legion members have issued orders that the I. W. W. agitators and adherents must leave the city within two weeks. "We are not going to allow radical propaganda to show its head in Cincinnati," say the soldiers.

U. S. State Department Grows Restless Under Inattention To Note Sent Mexico.

Governor of Puebla Called In During Cabinet Meeting

No New Word From Consular Agent Wm. Jenkins.

(By Associated Press.)

Washington, November 24.—The American government's note demanding the immediate release of Wm. Jenkins, American Consular Agent at Puebla, is understood to have been considered by the Mexican cabinet last Friday, the State Department announced today. In its announcement the State Department said:

"The Department has not yet received the answer of the Mexican government calling for the immediate release of Wm. Jenkins, who was arrested and put in the penitentiary shortly after his release by kidnappers at Puebla. It is understood the Mexican cabinet considered the United States' note Friday and the governor of Puebla was called in for a report."

Fourteen Crushed to Death in Rush For Stairway

(By Associated Press.)

Villa Platte, La., November 24.—With all persons in the building at the time accounted for, the complete list today of those who lost their lives in the dance hall fire here Saturday night was announced at twenty-eight.

About 300 persons were at a dance on the second floor of the two-story frame building, and in addition to the heavy death toll, scores were badly burned or seriously hurt in the mad rush to escape through the one narrow exit.

Failure of U. S. to Ratify Treaty Does Not Stop Occupation

(By Associated Press.)

Paris, November 24.—The withdrawal of the American troops from Coblenz in occupied Germany is not considered in American peace conference circles as necessary in consequence of the failure of the United States Senate to ratify the German peace treaty.

It is contended that the United States still is one of the allied and associated powers and that the postponement of final action on the treaty does not change its relation to either the associated powers or Germany.

BOOMS COOLIDGE

Boston, November 23.—Resolutions favoring the nomination of Governor Calvin Coolidge for president by the Republican Party next year, adopted by the executive committee of the Republican Club of Massachusetts, on Friday last, were made public tonight.

INSIST 500,000
IS MINIMUM

Washington, November 24.—The opinion of the Army General Staff and the administration is that a peace treaty of 500,000 is the minimum necessary to care for the national interests General March, chief of staff, declared today, correcting an interpretation of his annual report published Sunday which placed the minimum at 250,000.

Wild Rumors Afloat As Result Of Radical Element Among The Socialists.

Spread of Bolshevism and Overthrow of King Victor Emmanuel is Planned.

Opening of Parliament December First Regarded With Grave Apprehension.

Revolutionary Sentiment Said To Be Strong Among The Socialists.

(By Associated Press.)

Rome, November 24.—Rumors of the wildest character regarding the possibility of a very serious crisis involving not only the cabinet but also the reigning house of Italy are in circulation as the opening of the Italian Parliament on December 1st approaches.

The socialists, proud of their recent victory in the election, are eager to continue what they call their "march forward." The older, more authoritative members of the party, however, are against any excesses.

The new elements which have entered the socialist parliamentary group are declared to be animated by revolutionary sentiment and to favor an extreme policy which, in their opinion, will lead to Bolshevism in Italy and the overthrow of King Victor Emmanuel.

TO SIGN TREATY

Paris, November 24.—The American delegates to the peace conference not having received instructions to the contrary will sign the Bulgarian peace treaty unless there are new developments before Thursday, the date set for the signing.

TROUBLE ENDS
AS MILITIAMEN
TAKE POSITION

Full Protection is Given Miners Who Were Fired Upon.

(By Associated Press.)

Richmond, Va., November 24.—No further trouble at St. Charles a small mining town near the Kentucky border had been reported at the Governor's office here today. Governor Davis was expected to reach the town some time this afternoon to take personal charge of the 500 militiamen who were ordered there following appeals from loyal coal miners for protection against radicals who, they said, had mounted high powered guns on the hills commanding the entrances to the mines and opened fire on the miners who had entered the mines to resume work.

"SUICIDE CLUB" HONORED

New York, November 24.—The United States Navy's "Suicide Club," the 3600 officers and men of the Fifty Sixth mine sweepers just returned from the perilous task of clearing the North Sea of mines, was honored today by officials of the navy and city. Secretary Daniels and Rear Admiral Strauss, commander of the flotilla, reviewed the craft in the Hudson.

Representative Admits Guilt In Bribery Charge and Sentence is Suspended.

Resigns Position as Legislator In Ohio General Assembly

(By Associated Press.)

Columbus, O., November 24.—Representative Frank Delehanty, of Cleveland, today pleaded guilty in the Franklin county criminal court to charges of alleged bribery during last winter's legislative session in connection with the attempted passage of the chiropractors' bill.

Because no money was passed in the alleged attempted bribery, the court gave Delehanty a suspended sentence in the Ohio penitentiary, which means that he will not have to serve time.

A few minutes before he pleaded guilty, Governor Cox received his resignation as a member of the legislature through the mails. However, the fact that Delehanty pleaded guilty to the charge of attempted bribery would have automatically removed him from the legislature.

Delehanty's indictment followed a legislative investigation of alleged bribery. The indictment charged him with soliciting a bribe of \$500 from Dr. Skeels, of Delaware, lobbyist for the Chiropractors Association which was backing a non-medical practice bill in the legislature and with offering a bribe of \$2,000 to Senator Wright of Cleveland, to induce Wright to withdraw opposition to the bill.

Delmar Jennings is Arrested At Mt. Vernon On Suspicion

No Formal Charge is Filed Against Suspect.

(Special to The Herald.)

Mt. Vernon, O., November 24.—Delmar Jennings is under arrest in connection with the deaths here yesterday of Charles Franklin, 49, and William A. Youst, 21, which occurred after the men had drunk a quantity of liquor, supposedly home made wine, which is said to have contained wood alcohol.

No formal charge has yet been placed against Jennings. Contents of the stomachs of the dead men were taken to Columbus this morning for examination.

OIL EXPLODES HUSBAND DEAD WIFE MAY DIE

Charles R. Coffey, Well Known in This County, Is Burned to Death.

Tragedy Occurs in Greenfield Late Saturday Night—Home Damaged.

As result of a kerosene explosion which occurred at the Charles R. Coffey home in Greenfield at 19:30 Saturday night, Mr. Coffey was burned so that death resulted within a few hours and Mrs. Coffey was so badly burned that she will probably die, Monday morning she was barely alive. According to the story told by Mrs. Coffey during moments of consciousness she and her husband had gone to their home after spending the evening up town. They attempted to start a fire in the heating stove and Mr. Coffey started to pour some kerosene on the smoldering flames. In some manner the can caught the flames and exploded. In a moment the two persons were a mass of flames, the room was also blazing from the oil which was thrown on everything.

Both Mr. and Mrs. Coffey ran screaming into the yard of their home, with the flames leaping high above the unfortunate man's head. Neighbors rushed to their assistance and one threw a basket of water upon Mr. Coffey, then threw him to the earth and rolled him over and over in an almost futile effort to extinguish the flames. The flames about the clothing of Mrs. Coffey were smothered out before she was so badly burned.

Husband and wife were rushed to the hospital. Mr. Coffey never regained consciousness and passed away at 4:25 Sunday morning.

The home was saved from serious damage by firefighters.

Mr. Coffey was well known in this community until a short time ago. He was an employee of the Sunlight Creameries as a field man. He was 52 years of age and a son of Mr. and Mrs. William Coffey, of Fayette county and brother of Mrs. D. L. Moore of this city. A brother, Don, is employed at the Brownell Packing plant in this city, while two brothers reside in Dayton, one sister at home and one resides in Cincinnati.

Mrs. Coffey was a daughter of the late Silas Smith, of Fayette county, and a sister of Mrs. Owen Baker, of near Buena Vista.

The funeral of Mr. Coffey will be held Wednesday at the White Oak Church, with interment in the White Oak cemetery.

ANNUAL EVENT IN MASONIC CIRCLES

The big Masonic event of the season in local circles will be the regular fall meeting of Garfield Commandery No. 28 to be held Tuesday and Thursday, November the Twenty Fifth and Twenty Seventh, at The Temple.

The Red Cross and Malta degree will be given Tuesday night and work commenced in The Order of The Temple Thursday afternoon at two o'clock, a banquet to follow at six o'clock.

There will be seventeen candidates and visiting Knights from other Commanderies will be cordially welcomed. The ceremonies will be in charge of Eminent Commander P. M. Cook.

TEAM REACHES THE LAST GAME

Following the cancellation of the Saturday game by Xenia, football fans have but one more chance to see the High School crack squad in action. Wilmington will be the attraction on Thanksgiving.

A summary of the season shows that the Blue and White has triumphed seven consecutive times, three games on the home field and four on the enemy's territory. During this time they have amassed a total of 263 points while their opponents have been able to mark up but 15. But one touchdown has gone through the Washington line.

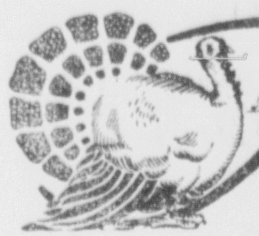

Thursday, the team will be on the local grounds trying for enough points to make the total 250.

In last year's Turkey game Wilmington was the visitor. Washington was winner by a score of something like 40 to 0.

PETITIONS OUT FOR COMMUTING DEATH SENTENCE

Petitions were circulated on the streets and in places of business on Monday, asking for commutation of the sentence of William McKitterick, former local man who is in the annex of the Ohio penitentiary awaiting execution on December 19th for the killing of Belle Mann Greene, at her home in Dayton.

Practically every person approached was willing to add his name to

the list and hundreds of signatures had been secured before the noon hour.

The petition is addressed to the Ohio Clemency Board and asks that the death sentence be commuted. It alleges that when William McKitterick committed the act he was under the influence of intoxicating liquor, that the crime was not premeditated, and that the record of his family is one of the highest standard.

SIMPLE SERVICES PRECEDE BURIAL

The Chenoweth home on South North street was filled with sorrowing friends and relatives. Monday morning, for the last services honoring the wife and mother, Mrs. Orpha J. Chenoweth. Rev. K. B. Alexander, pastor of the Methodist church conducted an impressive little service and read the hymns: "Rock of Ages" and "Jesus Savior Pilot Me."

The floral remembrances were very beautiful, tributes from the immediate family.

Messrs. Edward Chenoweth, Harve Rodgers, Ed and William Swartz, Gilbert Perrill and Dillon Burris acted as pallbearers, and bore the casket to its final resting place in the family lot in the Washington cemetery.

With members of the family, Mr. and Mrs. Harve Rodgers of Norwood, and Mr. Edward Chenoweth, of Syracuse, N. Y., here for the services were Mesdames Elliott, Daily, Jones and Hibbens, of Waverly.

DEATH CLAIMS AFTER PROLONGED ILLNESS

After a year of illness, borne with a rare patience, Mrs. Louise Jane Burnett, wife of Elmer Burnett, passed quietly into the great beyond Sunday morning at eight o'clock, at her home on the corner of Hinde and Market.

Mrs. Burnett's death brings deep sorrow to a large number of friends in this city and through the county, especially in the Glendon neighborhood, where the Burnetts resided on their farm before moving to this city. Mrs. Burnett was always one of the best of neighbors and friends. Before her marriage her home was in Ross county and her death is learned with regret by numerous relatives in Chillicothe and Dayton. She was the daughter of Solomon and Sophia Coil and is survived by her husband. Funeral services will be held at the home Tuesday afternoon at two o'clock. Rev. K. B. Alexander, of Grace M. E. church will officiate.

TELLS OF DANGER OF CONSTIPATION

Declares What Folks Need is Earle's Hypo-Cod.—Ordinary Treatment Waste of Time.

"I have gone through it myself and know what chronic constipation means, and I know how to get rid of such troubles and build yourself up so quickly that it's foolish to waste time or money any other way," declared E. T. Kagey.

"I was troubled with constipation so bad I'd become dizzy and weak and often lose half a day from work. I got nervous too, and wouldn't rest good nights. My stomach bothered me so much I tried one thing after another. Lots of dishes I didn't dare touch and I had all the other troubles that go along with such complaints, but one day I asked the drug clerk what was the best thing he knew of for such a case like mine, and he said:

"You build yourself up. Strengthen your system with a good tonic and you'll not be bothered any more," so on his recommendation I took home a bottle of Earle's Hypo-Cod and I'm here to say it is great. I am no longer bothered with constipation and dizzy spells. My nerves are stronger and I rest good at night and I wake up feeling great. I have an excellent appetite and never bother what I eat. Everything agrees with me and since my stomach got in good shape I've been living on the dishes I used to have to pass up. I have been helped so quickly and so completely with this great remedy that I hope others having the same trouble will take my advice. It is the real remedy alright," continued Mr. Kagey, Black Lick, Ohio, about ten miles outside of Columbus, and a well known farmer there.

"Don't treat the symptoms," advises a well known authority on the subject. "Treat the cause," and when your system gets run down and weak remember that your stomach, bowels and whole system gets weak at the same time. Build yourself up and nine times out of ten all your symptoms and troubles disappear. Get a large bottle of Earle's Hypo-Cod tonight at your druggist. Price \$1.25, plus 5c war tax.

Earle's Hypo-Cod is sold here by C. S. Haver's and Frank Christopher's drug stores and the leading druggists in all nearby towns. Adv

Lacking In Punch

One of the greatest causes of complaint against the national administration and, unfortunately, warranted by developments, is the lack of ability to get anything finished. People become discouraged with the interminable delays, the unending talk and the numerous promises of relief which are productive of little or no substantial benefit.

For weeks it has been generally understood, and accepted as true, that there was an abundant supply of sugar, both cane sugar and beet sugar, available. The cane sugar districts of the United States were credited with an enormous supply, Cuba was asserted, without authoritative denial, to have vast quantities of sugar awaiting shipment to this market and the beet sugar refineries were charged without denial, with having large quantities of the necessary sugar on hand and yet the people have been sugar rationed and sugar starved worse than in war times.

The fool control machine has been set up again in all its bureaucratic austerity and yet we seem to get nowhere. Not even the market price has been definitely fixed by the authorities. Refiners and brokers are still holding on to the supply and the people in the midst of plenty are compelled to beg a handful of sugar.

The same lack of driving power in the administration machine is apparent in the coal markets, in the clothing market and in the market of most of the foodstuffs.

The administration seems to lack a finishing punch. Whether conditions are such that other officials could do no better the people don't know, but the present official family is giving abundant and unpleasant proof of its inability to cope with present conditions.

There seems to be an inclination to devise elaborate plans and then permit the whole activity to end with the completion of the plan. We need more force and less talk at Washington.

Denikin's Victory

The early reports of the decisive victory won by the armies of General Denikin over the Bolshevik forces is, if later confirmed, a very encouraging development of the last week which has not seemed any too crowded with promise of the near approach of settled conditions.

Russia continues to be the land of mystery in numerous ways. The world knows little or nothing about what is occurring in Russia aside from the developments on the field of battle as the conflicting forces continue the struggle about Petrograd and Moscow—the forces of red radicalism and anarchy at grips with the all-Russian armies who are seeking to deliver their country from the bonds of the most frightful tyranny in all history.

The world, generally speaking, knows no more about the plans of the great nations in regard to Russia than it knows about the plans of the Bolsheviks. It seems impossible that the allied powers should be unmindful of the menace which Russia's madness holds for the world and that it is exceedingly improbable that there cannot be any permanent and secure rearrangement of the industrial and commercial life of the nations and of the world until Russia is cured of her malady. And yet, if any help, even good advice, is being extended to the Russian armies or any hope given the Russian people, the world is not advised of it.

The Mothers' Bazaar

The entertainment given by the Central Schools Mothers Circle at the High School last Friday night was a tremendous success in every way as it deserved to be. Those who attended, and the attendance was, fortunately, large were impressed with the beauty and the promise of it all.

Everyone who enjoyed Friday evening's bazaar and entertainment was given proof of the real worth of the youngsters at school and made to feel the need and profit of more effort in behalf of the oncoming generation.

It is to these boys and girls of the schools that the nation must look. They are the hope and the safety of the nation and the world, they must be looked after and preserved in all their purity of mind, morals and body as the greatest legacy we of the present generation can leave to the world.

The boys and girls have been given into our keeping by the Creator of the universe and we must preserve them and make them fit for the great work of life.

The mothers are close to the young boys and the young girls. It is to the mothers that all the troubles are brought and all the secrets told. The mothers are in intimate touch with the sensitive human soul and body which has been given into their keeping and they are never forgetful of their duty.

Unless we are mistaken the activity of the mothers in behalf of the children which culminated in the mazaar Friday night, is only well launched.

POETRY FOR TODAY

"OUR LIVES ARE SERMONS"

There's a picture that hangs on my wall today
Of a silver-haired man who has gone away
To the region beyond the veil;
The work of a bishop he did upon earth.
And his splendid ambition ne'er suffered a dirth—
Nor knew he the meaning of fail.

One day he was writing a much-cherished friend,
And he said as his letter was nearing the end:
"I'm sorry you ne'er heard the minister's call."
Then he added, "And yet you are splendid and true;
And remember, my dear, what I now say to you:
Our lives are the very best sermons of all."

Then—shortly, one night as the good bishop slept,
God called him above, and a thousand friends wept
Because he was with them no more;
But as they recounted his lovehallowed life,
His kindness toward all, and his hatred of strife,
The love that was always to spare and in store.

They said: "We shall miss him from day unto day—
The world is so lonely since he went away;
But tho' his departure we can but regret,
What he said about being fine preachers and good.
By living the Christ life of true brotherhood—
Ah, that we can never, need never, forget."
—Lida Keck Wiggins.

FOR LUMBAGO

Try Musterole. See How Quickly It Relieves

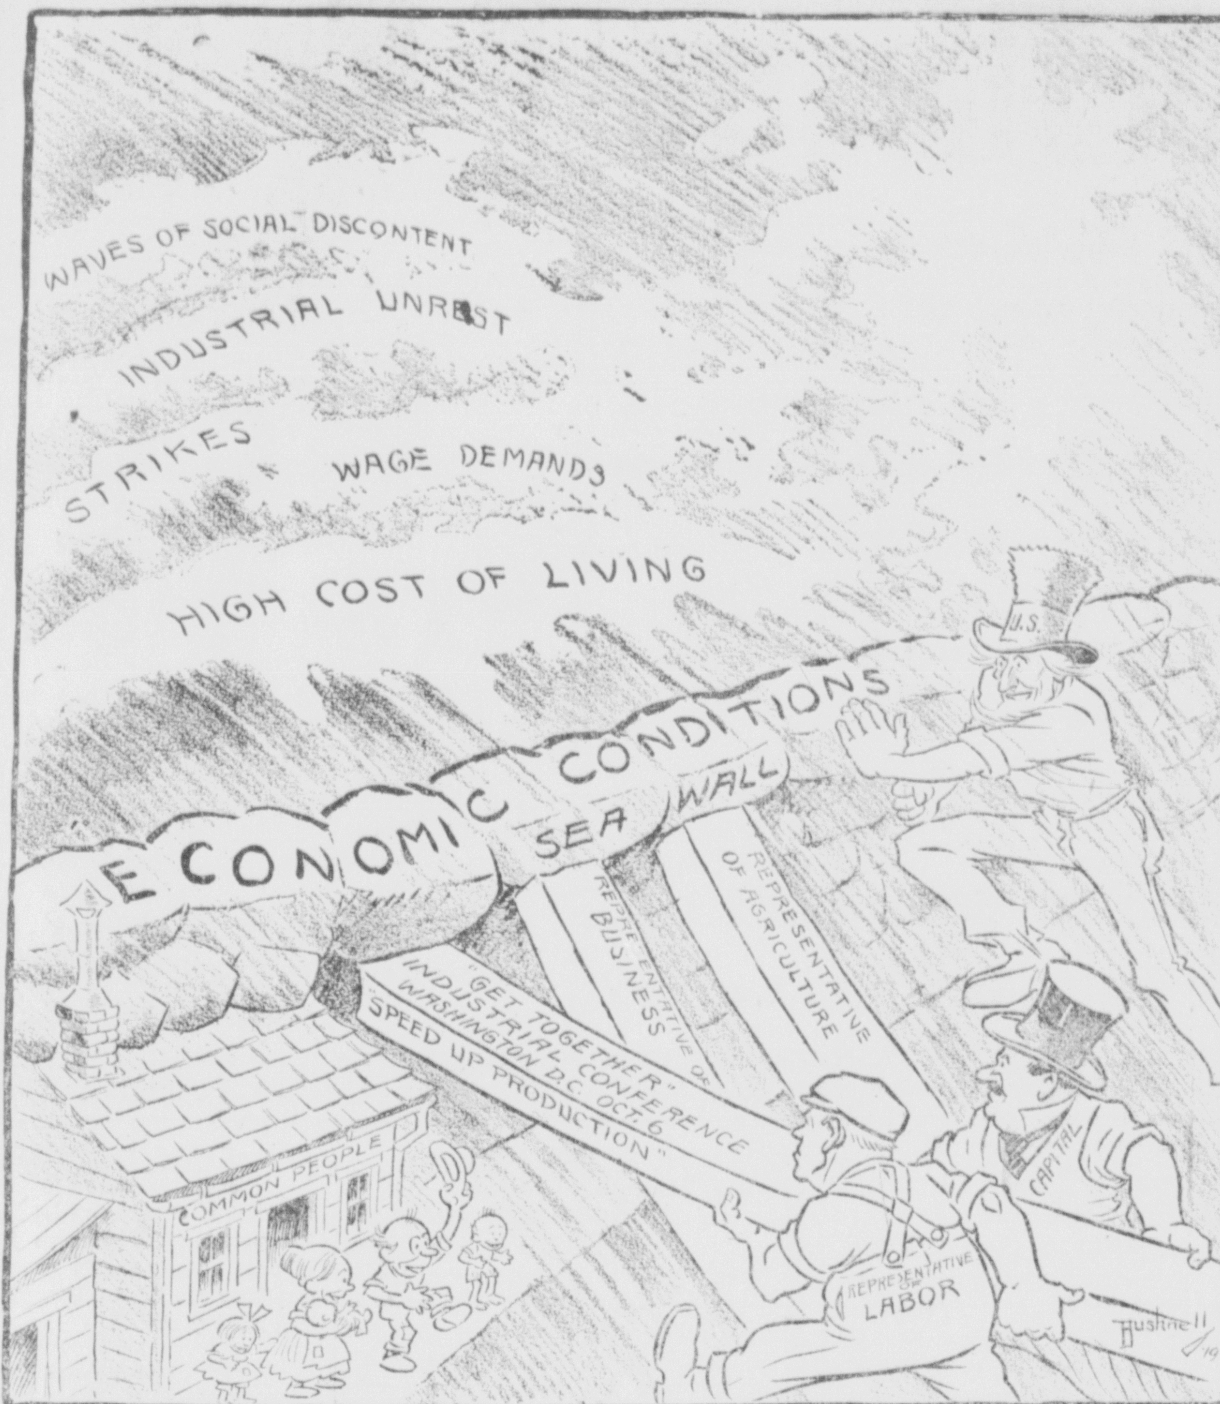

You just rub Musterole in briskly, and usually the pain is gone—a delicious, soothing comfort comes to take its place. Musterole is a clean, white ointment, made with oil of mustard. Use it instead of mustard plaster. Will not blister. Many doctors and nurses use Musterole and recommend it to their patients. They will gladly tell you what relief it gives from sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest. Always dependable.

DON'T DISREGARD A COLD

A neglected cold may develop into most serious sickness. The influenza and pneumonia that swept the country a year ago were preceded by an epidemic of colds. Foley's Honey and Tar will check a cold if taken in time. It loosens phlegm and mucus, clears air passages, eases hoarseness, stops tickling throat. Blackmer & Tanquary, advt.

GERMAN GOODS MUCH CHEAPER SAY NORWEGIANS

Christiania, October 28.—(Correspondence of the Associated Press by Mail)—Norway is beginning to suffer from German competition, say leading Norwegian business men. Prices for machinery and steel construction are said to be 60 percent cheaper in Germany than in Norway. The finished product imported from Germany costs only about as much as the raw or unfinished product would cost in Norway.

Reports from Germany say that industry there is growing rapidly. The low rate of German exchange, it is pointed out, makes Germany's competition in foreign markets much keener. Norwegian electrical power plants now under construction buying their turbines in Germany because they are so much cheaper there, that they cannot afford to buy them at home. It is claimed that at present Germany is able to beat any competition here on the products for which she, herself, can furnish raw materials. Lack of shipping facilities is said to be the only thing that prevents Germany from dumping her

products on Scandinavian countries at prices so low as to kill all competition. Leading Norwegian business men have been made rather pessimistic by this condition.

RIVIERA PLANS

London, October 25.—(Correspondence of the Associated Press by Mail)—London regards the prospects of the coming Riviera season as particularly bright. There is much to indicate that now the German element has gone, Mentone will be restored to its former state as the English colony on the Riviera. English people who visited Mentone annually a pre-war days are anxious to return after five years' absence and there are many others who, having tasted of continental travel in their war service will be attracted by the beauties of the Riviera and, perhaps, the allurements of Monte Carlo.

POWER

To develop the most power per gallon gasoline must fire quickly and burn cleanly, thus leaving the minimum amount of carbon. That is the reason Liberty Gasoline delivers so much power and gets from a gallon more

MILES

because every drop is simply crowded with vim and ginger. When you buy gasoline you are SUPPOSED to get power and mileage, but when you buy Liberty Gasoline you are CERTAIN of getting them both, and that's what makes for

Young Girls Made Strong

Mother tells how Vinol, our Cod Liver and Iron Tonic, built up her daughter.

Belvidere, Ill. — "My daughter was so weak and run-down that she had fainting spells and headaches. My druggist recommended Vinol, and the result was that her health and strength were built up very quickly by its use, and I hope my statement will convince other mothers of what Vinol will do for their little ones who are weak, run-down or delicate." — Mrs. JOHN LEWIS.

The Beef and Cod Liver Pentones contained in Vinol aided by the Iron and Hypophosphites quickly restores the appetite, aids digestion, makes rich, red blood and creates strength.

NOTE—Your leading druggist has for many years specially recommended Vinol because the full formula is printed on labels. Your money back if it fails.

RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

Many friends in this city the former home of the Palmers, will share in the interest of the following announcement from the society columns of the Sunday Cincinnati Enquirer.

The announcement of the engagement of Miss Anne Palmer, daughter of Mr. and Mrs. Robert B. Palmer, of Avondale and Mr. Henry Nonnez, a son of Monsieur and Mme. Alfred

Nonnez, of Walnut Hills, and a sister of Mrs. John Keith Browning (Marie Nonnez), is a matter of much interest to the friends of the family, who are legion in all quarters of the city. Mr. and Mrs. Palmer have not lived here many years, but in that time they have become affiliated with so many interests and have found so many congenial acquaintances that they are considered now full-fledged Cincinnatians. The bride elect is an attractive girl a graduate of Miss Doberty's School and of the beautiful National Park Seminary in Washington. Mr. Nonnez, who was absent from Cincinnati for several years while engaged in business in Canada, is a University of Cincinnati man and now a permanent resident here where he is identified with one of the foremost manufacturing interests of the town. Like his sister, he has an inherited gift of popularity, his father being a well-known educator and officer of the Alliance Francaise. No date is set for the marriage, but it will probably take place in the early summer.

The bride is the granddaughter of Mr. and Mrs. R. S. Quinn and with her family will visit at the Quinn home during the Thanksgiving season.

With Miss Light's piano studio filled with interested parents and friends, a number of her younger pupils gave a pleasing recital Saturday afternoon. The following program was exceedingly well rendered, most of the pupils playing without music.

Thanksgiving season will record no more joyous affair than a seven o'clock stag dinner entertained by Ronald Dick, home from school in Columbus for the week, Saturday night.

The dinner was an elaborate one of five courses, beautifully appointed and with yellow and white chrysanthemums and smilax artistically employed in decoration, and both the delicious viands and the attractive settings were shown full mead of appreciation by the guests.

It was a real get-together of fellows who had been friends before the war and were for the first time socially together. Three of them, the popular host, Orland Hays and Lawrence Flesher had been in the 146th Ambulance Train and Eugene Bliss overseas for two years with the British Guard Fleet and witnessed the surrender of the German fleet in the North Sea. The wave of good fellowship was stimulated by the pleasure of the re-union and the recounting of experiences by the boys who had been in service.

Mrs. R. E. Brown assisted her son

in entertaining and was also aided by Misses Dorothy Dick, Florence Bliss and Laura Brownell.

Seated with Mr. Dick were: Dr. Brown, Emerson Chapman, Lawrence Flesher, Albert Briggs, Aloysius McDonald, Glenn Griffith, Howard S. Harper, Ralph Mayor, Clark Coffey, Orland Hays, Eugene Bliss, Arthur Rothrock and Mr. Dill, of Columbus.

The most brilliant affair which has been staged in the Dahi-Campbell Club rooms, the decidedly military note adding flavor, was a dance, Saturday night, at which Mr. William M. Campbell and Mr. A. F. Kye handsomely entertained the Officers' personnel of Camp Sherman, including with the wives and friends the heads of the Y. M. C. A. and K. of C.

The large club rooms were beautifully decorated with chrysanthemums and greenery and every thing was admirably arranged for the pleasure of the guests, numbering about sixty.

The splendid music furnished by Parker's seven piece Orchestra, of Columbus, with the noted leader Parker himself, was the biggest contributing factor to the dance and with the Orchestra was Parker's entertainer, just home from overseas and delighting the guests with songs and dances.

Punch was served all evening and at eleven o'clock a most appetitive buffet luncheon.

Twenty young women of the office force of the Sunlight Creameries enjoyed a jolly little supper together, in the company's club rooms in the Allen block, Friday evening.

Dancing and cards followed the supper, and every thing contributed to a delightful evening.

Mr. and Mrs. Charles Thompson chaperoned the party.

Mr. and Mrs. E. L. Bush pleasantly entertained with a dinner, Sunday their guests including Mr. C. F. Eichelberger and family of Dayton, Mr. Ralph Braden and family of Good Hope, Mrs. I. H. Carman, Mr. Paul Carman and family, Lesley Harrop, of Selden, Dr. and Mrs. J. M. Boyd of this city.

Potted plants were used in decoration, and a dinner of delicious courses was served.

Miss Clara Toops is spending several days with her sister, Mrs. John Metz.

Mr. and Mrs. E. B. Armstrong and son, C. C. Armstrong, Mrs. Robert Howat and Miss Jean Howat motored to Columbus Saturday for the football game, remaining over for the theater in the evening.

Mr. and Mrs. E. H. Reeder, daughter Ludene, were guests over Sunday of Mr. and Mrs. Levi Reeder and daughter, Miss Cecil, in Columbus.

Mr. and Mrs. C. O. Rankin of Xenia spent Saturday and Sunday with Mr. and Mrs. E. A. Ferguson in Milledgeville.

Mrs. George Cox, Mr. and Mrs. Martin Cox, baby daughter, Rosemary, and Mrs. L. E. Miller motored to Hillsboro, Monday.

Mr. and Mrs. Harry Silcott, son Rolin motored to Columbus, Saturday, to see Mrs. Silcott's brother, who is in a hospital there.

Mr. Jerry J. Malloy was a visitor in Loveland over Sunday.

Mr. and Mrs. Earl Barnett and son Edgar motored to Columbus, Sunday, and brought home Mrs. E. F. Kinnear for a visit.

Mrs. Thomas J. Groves and daughter Mary Ellen spent the week end in Chillicothe with Mrs. Harry Phillips. Mr. Grove joined them Sunday and accompanied them home.

Mr. Clarence Daley and family have moved from the Nelson property on East Paint street, into the Bereman property on Market street. Mr. W. W. Ellis will occupy the house vacated by the Daley family.

Mr. Charles Allemang and family moved Monday from their farm, recently sold to Dr. L. M. McFadden, to Springfield where Mr. Allemang has purchased a residence property.

Lifelong residents of this county where their friends are legion, the removal of Mr. and Mrs. Allemang from Fayette County is sincerely regretted.

Mrs. Sylvester Pond, Mrs. Clara Pagett and Mr. Edgar Pebble, of Wilmington and Miss Mary Fisher of Sabina were guests of Mr. C. A. Stafford and family. Mrs. Pagett expects to leave in a few days for Jacksonville, Fla., to spend the winter.

Mrs. Frank L. Stutson left Monday for Chicago to spend several weeks with her daughter, Mrs. Joseph H. Donnell, and family.

Mr. and Mrs. Harley Henkle and children, of Sabina, were Sunday guests of Mr. and Mrs. Harry Henkle, of Dayton Avenue.

Prof. W. W. Davies was down from Delaware for the week end.

LABOR PARTY WOULD IMPEACH JUDGE ANDERSON

(By Associated Press)

Chicago, November 24.—A demand for impeachment of Judge Anderson of the United States District Court was formally voiced today by the National Labor party in a petition addressed to Congress.

The Judge's action in granting the government a mandatory injunction ordering rescinding of the coal miners' strike was the reason assigned.

RADICALS COME 100 EACH DAY

(By Associated Press)

New York, November 24.—The congressional inquiry into the immigration service here today developed that many incoming passengers in whom congressmen were interested were passed with only a perfunctory examination or if they were detained were released later.

Representative Johnson, chairman of the committee, declared radical Russians are being smuggled into the United States from Mexico at the rate of 100 a day.

STINSON RECITAL

The third grade pupils of Miss Stinson gave a delightful program at her studio Saturday afternoon. Different stages of the third grade were represented with the exception of little Janet Jane Judy of the first grade who gave a cunning picture story on the piano with Dorothy Sparks singing Juanita Gerstner, Margaret Gibson, Dorothy Donohoe, Norman and Genevieve Price deserve special mention for their usual competent playing of difficult selections for such young pianists.

Helen Rodecker distinguished herself most creditably in her playing Nevin and MacDowell numbers. Dorothy Sparks gave an almost perfectly played Elude by Heller, her phrasing, poise and rhythm being exceptional.

Virginia Ellies one of Miss Stinson's most intelligent and attentive workers, played beautifully and in correct tempo "Meadow Brook" by MacDowell. Harold Dittich's playing gave promise of rapid advancement.

Others on the program played according to the time and attention given their selections.

After the closing number a very pretty duet played by Virginia Ellies and Avonelle Timmons, Miss Stinson made announcements of the recital for 1st and 2nd grade pupils Saturday December 6 and the Xmas entertainment Saturday December 20.

The studio was filled with its usual capacity audience.

DEATH BREAKS UP HAPPY HOME LIFE

Mrs. Minnie Roseboom Hidy, wife of Owen Hidy, and infant daughter, died Monday morning at five o'clock at her home on Rose Avenue, leaving the home darkly shadowed and the young husband weighted down with a double grief that arouses general sympathy.

The young wife graduated with first honors from the local high school, class of 1911, and was united in marriage to Mr. Hidy three and a half years ago.

During his absence in military service she took a position in the Jess W. Smith store. She was devoted to her home and a faithful member of the Presbyterian church and leaves many friends to mourn her untimely summons.

Funeral services will be held Wednesday at two o'clock p. m. at the home, Rev. G. E. Grove in charge.

INTER-CHURCH MEET TO BE HELD TONIGHT

There will be a meeting of ministers and laymen from Fayette county tonight at 7:30 at the Y. M. C. A. The purpose of the meeting is to organize the county for inter-church work. There will be an out of town speaker who will present the program and also tell of the plans for the big Inter-Church Conference to be held in Columbus Dec. 1. All ministers and laymen are urged to attend this meeting as it will have vital bearing upon the co-operative plans of work for the future welfare of the churches.

JOINT OFFICE IS OPENED IN CREAMER BLOCK

For the purpose of increasing the service to the public, Mr. D. B. Willhite, conducting a general loan business and buying and selling real estate, and Miss Mayme B. Allerdise,

conducting an insurance business, will occupy the same office in the Creamer Building over the George A. Gregg shoe store on Court street. The arrangement is one for convenience and to facilitate business operations. Mr. Willhite will devote his time exclusively to the real estate and loan business and Miss Allerdise will look after her insurance business.

The arrangement will enable Mr. Willhite to devote all of his time to the out of door work and Miss Allerdise to devote her time exclusively to office work. Mr. Willhite will take over that part of Miss Allerdise's business which requires outside work and Miss Allerdise will look after all the clerical work in connection with Mr. Willhite's business.

The combining of business so far as the public is concerned, will greatly increase the service and doubtless result in much mutual benefit to both the parties concerned.

DISCUSSED AFRICA SUNDAY EVENING

Albert G. Adams, formerly of this city, and for many years missionary worker in Africa, delivered an address to an attentive audience Sunday evening at the Presbyterian church.

Mr. Adams gave a full account of the hardships of the people of the dark continent. Their condition before and after the war was ably described.

Needs of the uncivilized in the almost hidden depths of Africa for the assistance of the outer world were taken up, as only a man who has been in contact with such conditions is capable of doing.

Mr. Adams left a profound impression on his audience and put the condition of the inhabitants of the great continent in a new light in the minds of his listeners.

CLAIMS DIVORCE WAS GRANTED HIM IN GEORGIA COURT

Making answer to a petition filed by Frances A. Barger, in the probate court, asking for divorce and other relief, Taylor L. Barger, through his attorneys Post and Reid, declares that he was divorced from the plaintiff in the Superior Court of Fulton County, Georgia, Dec. 3, 1918, upon petition he had filed against Frances A. Barger in which extreme cruelty was charged by him. As result of the divorce thus obtained he asks that divorce action of the plaintiff in the local court be dismissed and that he be granted custody of a minor child, Rosine Barger.

In addition to the claim that he has been divorced from the plaintiff, the defendant, in five pages of type-written matter, makes a wide variety of unusual charges against the plaintiff covering a period of several years, claiming cruelty on the part of the plaintiff.

PROPERTY SELLS

Three transfers of property were complete Saturday. Charles Steele purchased 35 acres on the Circleville pike of Ira Russell. Mr. Russell has bought 1.5 acre and a seven room house of Carson Maddux on the Wilmington pike.

Two acres within the corporation of the city on the Greenfield pike belonging to Carson Maddux were sold to Adam Beck.

The transactions were negotiated through Charles Gerstner.

FULL CONFESSION OF O. W. U. STUDENT CLEARS MYSTERY

Delaware, O., November 24.—Miss Blanche Davidson, a member of the Freshman class of Ohio Wesleyan University, who has been charged with having shot to kill Miss Gladys Racey, of Caldwell, Ohio, a member of the Sophomore class of Ohio Wesleyan, has been released on bond furnished by the college authorities following her confession and signed statement.

The shooting of Miss Racey occurred in University Hall on Friday while Miss Racey was passing up the stairs to a Spanish class. The finding of a silk stocking containing a 22 calibre revolver led to the arrest and subsequent confession of Miss Davidson.

Miss Davidson, in her confession, says she carried a revolver for a number of days, intending to shoot Miss Racey, but the opportunity did not present itself immediately.

Miss Davidson is alleged to have based her action on a love affair which brings the name of Reed Alexander, a student of Ohio State University, into the case. Alexander formerly was associated with the Delaware Young Men's Christian Association, and is a graduate of Ohio Wesleyan, class 1919.

Miss Racey is in an improved condition at a hospital.

EIGHTEEN PERISH IN SUPERIOR

(By Associated Press.)

Sault Ste Marie, Michigan November 23. — Eighteen persons comprising the crew of the steamer Myron are believed tonight to have been added to the victims of Lake Superior's fury of the past two weeks.

Caught in a terrific northwester, the Myron foundered a mile and a half off Whitefish Point last night and early today sank in four fathoms of water.

Futile efforts were made by two steamers to throw lines to the men clinging to the cabin.

Tonight, coastguards are patrolling the shores of Whitefish Bay for 45 miles, hoping the Myron's two lifeboats will be blown ashore. The United States sub chaser 438 also was scouring the bay tonight for possible survivors. The beach is covered with lumber the ill fated Myron's cargo, but not a body had come ashore up to late today. The gale continued tonight.

FIRE STARTS DURING DANCE 25 ARE DEAD

Villa Platte, La., November 23. — Twenty-five persons, most of them women and girls lost their lives here last night in a fire which quickly destroyed a frame building in which 300 of the village folks were making merry at a dance.

Fifteen others were seriously hurt and search of the ruins was expected to add to the list of the dead.

Ten of the dancers were burned to death and others were crushed in a wild stampede to reach the street down a narrow trail stairway.

More than a score of babies were rescued by their mothers. Some of the children were picked up and hurried bodily into the outstretched arms of the people in the street below.

DEBBS MEETING CANCELLED AFTER SOLDIER PARADE

Reading, Pa., November 23.—A Debbs "amnesty" meeting was hurriedly called off following a parade this afternoon of 2,000 American Legion members and their friends, and a threatening demonstration here tonight by 5000 people in front of the Socialists headquarters.

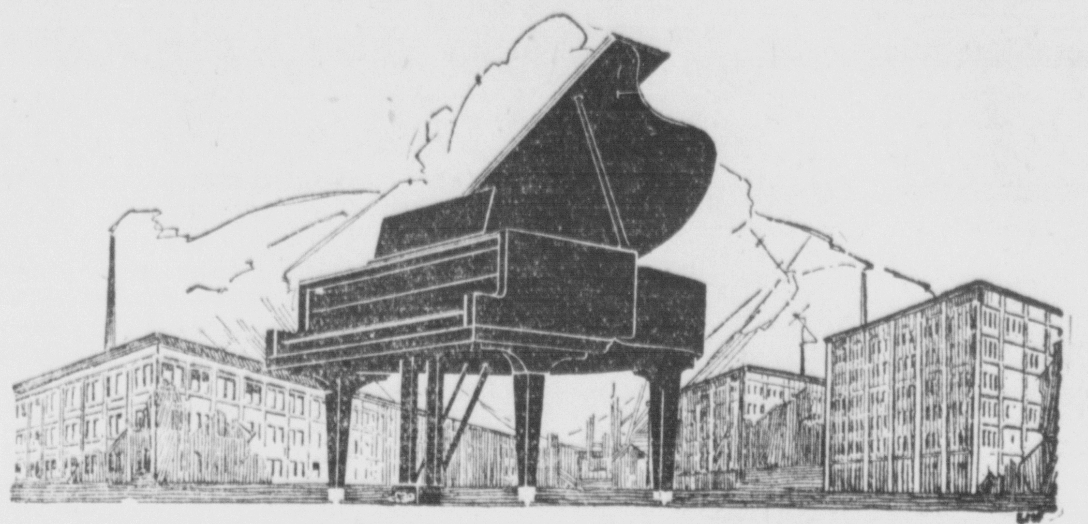

Mayor E. H. Filbert, warning J. Henry Stump, one of the Socialist leaders here that bloodshed would follow an attempt to hold the radical gathering, ordered the meeting called off and Stump, who was the Socialist candidate for mayor recently, complied.

Mt. Vernon, O., November 23.—Wood alcohol, though to have been substituted for homemade wine in a bottle, today was responsible for the death of William Yount, 21, and Robert Franklin, 45. Police believe a practical joker was responsible for the fatalities. Franklin was married.

HARTMAN THEATER

(Columbus, Ohio)

No comedy in the last 20 years has brought to the native stage such a splendid variety of distinctly new and amusing characters as Oliver Morosco's latest fun and fashion success, "Lombardi, Ltd." in which Leo Carrillo and the original Morosco cast will be seen at the Hartman Theatre, Columbus, Ohio, three days beginning Monday night, November 24, with a matinee on Wednesday. While Fred and Ganny Hatton have contributed many big hits to the American stage, such as "The Great Lover," "Upstairs and Down" and "Years of Discretion," "Lombardi, Ltd." has proved not only best efforts at brilliant comedy writing but their finest work in the matter of character drawing—a fact that has had much to do with the unusual success of the piece.

In the role of Tito Lombardi, in which Mr. Carrillo appears, they have for the first time brought to the stage the character of a fashionable foreign dressmaker, now found in almost every block on Fifth avenue. Little is known to the public of the "back stage" workings of these fashionable New York shops and little do the smart customers know of the joys and sorrows of the mannequins, the saleswomen, the seamstresses or the many others employed in the making of expensive creations any more than they know the real temperament of the genius who first creates them. The Hattons have presented in this play a composite picture of the Bendels, the Hicksons, the Tappes and other famous fashion creators, with comedy of real worth. Marie Colebrook, Lillian Brennard, Lillian Franklin, Harold Russell, Hallom Bosworth and other clever players are in the cast.

Opening with a Thanksgiving Day matinee, Thursday, Nov. 27, the Hartman will offer a three day engagement of John Cort's magnificent musical comedy, "Fiddlers Three," with Taviel Belge, "The singing Star of Belgium," in the prima donna role. "Fiddlers Three" has youth, color, melody and wit, and under it all the spirit of romance. The cast includes Tom Rynge, of Zeigfeld's Follies fame; Edna Morn, Thomas Conkey, Leo Frankel, Katharin Clare Ward and others.

RAISINS AND PROHIBITION.

Washington, November 22.—Prevailing high prices of raisins and scarcity of the product in Eastern market are due to increased demand resulting from prohibition according to testimony of E. L. Chaddock, President of Chaddock & Co., independent raisin packers, before the Federal Trade Commission here today. Chaddock declared that another reason for prevailing conditions was that the California Associated Raisin Company controlled 88 per cent of the Pacific Coast raisin acreage and was behind on its deliveries.

The mere fact that President Wilson wants something is not an argument against it.

MILEY AND ANDERSON

To look at it that doesn't look so bad, does it? Well I hated scandalous bad to do it and I know you folks will not like it a bit, but say I just had to do it that's all. Here is the way it is.

I have been having enough work for about three good men and trying to do it all myself. I never was able to hire any help that would do things to suit us, I mean of course you and me. Now if Ed (yes that is his name) if Ed doesn't do things to suit us, I will turn him across my knee that is why I got him for a pard. He has got such a short name it doesn't take very long to say Ed., and then he is a little short sawed-off fellow, if he doesn't do things just right I can give him a flogging.

Say, did you folks ever stop to think what kind of a job I have got here? No you never did.

You will bring your job in and say "Miley I would like to have it right away". Well I don't blame you for that, but say, maybe I would have about three days work ahead of myself to please everybody, so you see that is the reason I got Ed. So you see after you understand just how things are you will not blame me for getting a pard.

Just imagine me in the shop here working on a graphophone on gumming out a saw or grinding an ax or fixing some boy's bicycle and here comes a fellow with a Ford wanting something done and here comes a lady wanting her shears sharpened and maybe before she gets away another lady will come wanting tires on her baby buggy and about that time somebody else will come with another music box, and they all want their work done right away.

Now you don't blame me for getting Ed. do you? Say it's a wonder to me I haven't been put in the bug house long ago, but with Ed's help we are going to try to serve you better than ever. I have been trying for a week to get somebody to write up an ad for me but I just happened to think that Miley could fix it so here it is. Thanking you for your patronage in the past we hope to serve you better in the future. Phone 23151 Yours Respectfully J. M. Miley.

FAYETTE AUTO CLUB TO FIGHT NEW AUTO TAX

Joins With Other Auto Clubs of State in Vigorous Protest Against Tax Plan.

Plan Proposed Would Levy Heavy Tax on Virtually All Motor Vehicles.

The organized automobile owners of the state are preparing to wage war on that portion of the program of the joint taxation committee of the General Assembly of Ohio which will, if adopted at the next session, place upon all motor drawn vehicles what they denominate a special tax and an unjust proportion of the burdens of taxation amounting, in fact, to a license in addition to all regular tax burdens now borne by motor vehicles as items of property.

The joint committee has gone about the work of framing a program for new taxation laws which, to the automobile owners, seems a ruthless determination to get the money needed without regard to the justice or the proportion of the burden imposed on certain classes of property or property owners.

As a part of the state-wide voice of disapproval which greets the announcement of the program as regard motor-drawn vehicles, The Fayette County Automobile Club board of directors Saturday met and considered the proposal. At the conclusion of the meeting a resolution was adopted protesting against such taxes as proposed and placing the local organization on record as opposing the new increased tax on automobiles.

As affecting automobile owners the taxation program suggested provides in part, that:

"Section 6292. Each owner of a motor vehicle shall pay or cause to be paid taxes as follows:

"For each motor bicycle or motor cycle \$2.50; and for each side car \$1.50.

"For each other motor vehicle having motive power, thirty cents per unit of horse power, or fractional part thereof and in addition thereto the following:

"If equipped with pneumatic tires 12 1-2 cents for each 100 pounds gross weight of vehicle and load, or fractional part thereof;

"If equipped with pneumatic tires 25 cents for each 100 pounds gross weight of vehicle and load, or fractional part thereof;

"If equipped with steel or iron tires 25 cents for each 100 pounds gross weight of vehicle and load, or fractional part thereof;

"For each trailer, the same tax based on gross weight of vehicle or load, and in the same classifications as are herein provided for vehicles having motor power, other than motorcycles.

"The minimum tax for any vehicle having motive power other than a

motor cycle shall be \$5; and for each trailer \$2.50.

"Each manufacturer or dealer shall pay or cause to be paid a tax of \$20 for each gasoline, steam, electrical or other make of motor vehicle manufactured or dealt in at each place of business in this state, to be determined by the motive power of such vehicle."

From present indications it is the purpose of the Fayette Auto Club to become an active working unit in the state-wide organization of automobile owners which are to vigorously protest the enactment of any such program into the laws of the state.

REMEMBER THE CHICKEN SUPPER AT GRACE CHURCH DEC. 12.

'THE BRAT'

PALACE THEATER

Nazimova's great production, "THE BRAT", is the story of the ennobling influences of love. Its heroine and dominating character is a waif of the city's slums who has never known any name save "the brat". To eke out a precarious existence she plays in the chorus of a cheap musical comedy.

But the pittance she receives for wages is not enough to clothe her in the half-decent style of other girls.

"Fired" for being shabby, she faces the world desperate. A masher insults her; she slaps his face and is haled to a Night Court on an outrageous charge falsely made by the man she rebuffed. There a celebrated author salvages her from the human wrecks awaiting justice for their misdeeds. He takes her home to study her as the heroine of his forthcoming novel. Love is kindled and fanned to flame—but jealousy stalks in its wake; and there ensues a drama of heart-throbs and smiles, with surprises and tremendously moving climaxes. By reason of her simple faith the odd "brat" eventually triumphs after heartburnings and sacrifices that touch the whole narrative with the superb qualities of genius.

Remember that this picture will be shown at THE PALACE Thursday and Friday, November 27 and 28.

"I SAY POSITIVELY
MY RHEUMATISM
WAS RELIEVED
BY DRECO."

Ohio citizen was crippled up so badly could not work for a long time; joints swollen, muscles sore, neck stiff.

"I say, without hesitation, that I am completely relieved of a bad case of rheumatism, and the whole credit belongs to Dreco, the new root and herb juice remedy," is the signed statement made by Mr. C. A. Wimer of Crooksville, Ohio.

"For years I've had rheumatism and have taken all the well-known treatments, baths, etc. My joints were swollen, muscles sore and drawn, my neck was stiff and very painful. At times my limbs hurt so bad that I was crippled and walked with great difficulty.

"I had taken so much strong medicine for rheumatism that my stomach was all to pieces, and it frequently filled up with gas and gripped me awful bad.

"So many persons right here in town were praising Dreco that I went up and got some to give it a thorough trial, and that was the best money I ever spent. I tell you the pains are gone from my joints and muscles. I can turn my head all around and never have a pain in my neck, and I walk without the slightest inconvenience. Dreco also soothes my stomach, and it is greatly improved. I am glad to endorse this wonderful medicine that did so much for me."

The old-fashioned remedies made from roots and herbs are the best for any one to take. Dreco is made from twelve different roots, herbs, barks and leaves. These act on the stomach, bowels, kidneys and purify the blood. Dreco knocks rheumatism out shortly; relieves catarrh of the head and stomach; makes you sleep soundly and creates a good appetite. As a blood purifier nothing can equal Dreco. It puts a stop to boils, eczema and other blood affections.

All good druggists now sell Dreco, and it is highly recommended in this city by

HUNTERS BAG FINE RED FOX

One of the very few foxes seen in this county during late years was killed Saturday morning by John Yuhn of the Bogus road. Yuhn, with his brother, was hunting rabbits when they started the animal from cover. Both men shot and succeeded in killing it. The fox was a fine red one. The hide sold to a local dealer for \$24.95.

FIND ELK ANTLERS IN HEROD'S CREEK

A set of elk antlers, which evidently had reposed in the earth along Herod's Creek for probably several score years, was discovered on the O. Hegler farm on the Fayette-Ross county line recently, and the set is now being prepared for preservation.

The antlers have a spread of some 30 inches and a large number of points. They were noticed protruding from the bank of the creek and were dug out without difficulty, being about 16 inches under the surface.

It is supposed that the set had been interred since elk abounded in this part of the United States, 150 or 200 years ago, probably longer.

CORN HUSKERS MUCH IN DEMAND

Farmers state that they are having difficulty in obtaining the number of corn huskers that they desire, even though the price being paid represents the highest ever offered for this part of the farm work.

Farmers are now anxious to have their corn cribbed before severe weather comes, and are using every available man.

One instance is cited of where some men from this city were employed to husk corn and their wages were between \$5 and \$6 per day. The men drew their money at the end of the second day and announced that they would be back the following week, as they had made all the money they wanted for the one week.

Good Health Within Easy Reach

Vigorous Health Only as Far Away as the Use of Pepto-Mangan

Creates Rich, Red Blood

Pepto-Mangan Obtainable in Liquid or Tablets—Insist on "Gude's" the Genuine.

There is really no reason why men or women with thin, watery blood and consequent poor health should remain in that unfortunate condition. Thin, nervous, run-down, tired people never get much happiness out of life.

Men and women with the bloom of health in their cheeks, a cheerful, sunny disposition and an attractive personality are the folks who get most out of life's enjoyment, pleasure and success.

Gude's Pepto-Mangan furnishes thin, watery blood with the necessary nourishment to enrich it, enabling it to supply energy, vitality and strength to every part of the body.

Physicians recommend Gude's Pepto-Mangan to patients suffering from anemia because its beneficial and lasting qualities are well known to the medical profession.

Gude's Pepto-Mangan is obtainable in either liquid or tablet form. Both forms contain exactly the same strength and medicinal properties.

When you buy Pepto-Mangan of your druggist, be sure the name "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan. Adv.

Paris, Nov. 20—The state is asked, in a bill that has been introduced in the French Senate, to collect some of the most striking letters written by French soldiers during the war. The purpose is to form a permanent record of every part of the battle front and every phase of the fighting.

MIDGETS TRY FOR TURKEY CAME HERE

Washington's miniature footballers made up of an organization of seventh graders from the city schools did not go to Williamsport Saturday but have opened negotiations with the Williamsport Midgets for a game here on Thanksgiving Morning. If successful the contest will be played on the East End grounds.

The eleven is independent of the school and is self coached. "Mickey" McDonald is captain.

VETERANS NOTIFIED OF BARRACKS BAGS

Several young men in this city, veterans of the 146th Ambulance Train, Thirty Seventh Division, have been notified that their barracks bags are safe at Hoboken and awaiting the owners to claim them.

The owners state that their barracks bags were taken from them at the start of the drive in the Lorraine and Toul Sector. The bags were left in an old barn and the men gave up all hope of ever seeing them again.

LOOK FORWARD TO GLEE CLUB CONCERT

Music lovers in this community are looking forward with pleasure to the Glee Club concert to be given at the High School Auditorium about Dec. 12th. Miss. Louise Habegger instructor of music in the schools of the city is planning a special and distinctive program for the High School Glee Clubs.

This year, musical talent in the High School is not lacking and the opportunity for a concert is most apparent.

"When Grandma Comes the Dirt Must Fly"

Powdered Soap For Baby's Clothes

Dainty little garments that soil quickly must be kept sweet and fresh and clean. They must be cleansed thoroughly to safeguard the health of that precious little body.

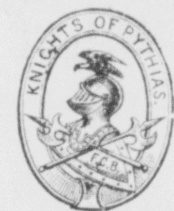

Wash baby's clothes with Grandma's Powdered Soap. Just a tablespoonful to a pail of water and presto—the water bubbles with millions of glorious cleansing suds.

Takes the place of both washing powder and bar soap. Goes farther. Cheaper to use. Baby's clothes last longer, look better and are really clean when washed with Grandma's Powdered Soap.

Order a package of Grandma's Powdered Soap to-day.
